7 May 2026, Milan

Leaders League Compliance Summit 2026

Event organised by **Leaders League**

Roundtable: From Report to Resolution: Mastering High-Stakes Investigations & Board Accountability

16:15 – 17:00

An internal investigation is a high-stakes moment where legal risk, company culture, and board responsibility collide. This session provides a masterclass on navigating the entire lifecycle of an internal inquiry, from the initial whistleblowing report to the final presentation to the board. Experts will discuss best practices for ensuring a legally sound process, protecting the rights of all parties, and maintaining stakeholder trust.

Speaker: Filippo Fioretti

Roundtable: The New Competition Battleground: Navigating Antitrust Risk in the Era of the DMA/DSA

17:10 – 17:55

The EU’s Digital Markets Act (DMA) and Digital Services Act (DSA) have redrawn the map of competition law. This session will analyze how these new regulations are creating a new antitrust battleground, impacting not only “Big Tech” but the entire digital ecosystem. Experts will discuss the new compliance obligations and strategic risks for companies operating in Europe.

Speaker: Maria Rosaria Raspanti
