

Pavia e Ansaldo with Allied International in the acquisition of Mandelli Sistemi

Milan, 6 July, 2021 - The Allied International group - among the world leaders in the manufacturing, distribution and stocking of butt welding, flanges, fittings, piping, wide radius curves and special products for the Oil&Gas sector - acquired the enterprise of Mandelli Sistemi S.p.A., an historical brand of Italian mechatronics, with nearly a hundred years tradition in aerospace, energy and precision mechanics sectors.

Allied International was assisted, as for legal aspects, by Pavia e Ansaldo, with a team composed by partners **Roberto Zanchi** and **Carlo Trucco**, for corporate aspects, and by the partner **Enrico Del Guerra**, for labour law aspects. Corporate, accounting and tax profiles have been managed by firm PSM, with the partner Maria Pia Schiavi. Strategic Finance Partners GmbH, with partner Silvio Conforti, acted as financial advisor.

Mandelli Sistemi was assisted by Alpeggiani, with partner Francesco Beccaria and senior associate Luigi Pizzi. La Croce Firm, with senior partner Marco Sabatini and partner Eugenio Galimi, acted as financial advisor.
